**DEFENDANTS' MOTION TO AMEND ANSWER TO INCLUDE ADDITIONAL  
AFFIRMATIVE DEFENSE**

Defendants Assumption College, et. al. hereby moves this Court pursuant to Federal Rule of Civil Procedure 15(a) for permission to file the Amended Answer attached hereto as Exhibit A to include the additional affirmative defense that this Court lacks subject matter jurisdiction because of Plaintiff's failure to exhaust administrative remedies. As grounds therefore, Defendants state that:

- (1) recent case law has addressed the issue that the "exhaustion of remedies" doctrine applies when faculty handbooks provide internal grievance procedures, Neiman v. Yale University, 2004 WL 1574253 (Conn. 2004) (copy attached);
- (2) Assumption College has an internal grievance procedure which Plaintiff failed to employ prior to filing the instant action
- (3) Leave shall be freely given when justice so requires; and

(4) Plaintiffs will not be prejudiced because there has been no Rule 16 Conference in this matter to date, there has been no discovery, and no trial date has been set for this case.

WHEREFORE, Defendants respectfully request that this Court allow its Motion to Amend Its Answer.

**CERTIFICATION OF CONFERENCE**

The undersigned represents that on August 20, 2004, the undersigned conferred with Plaintiffs' counsel, Paul J. Klehm regarding the above Motion.
